there was no reason for police action.
"We rather enjoyed listening to what they thought of us," he remarked. It was learned that an attempt to provoke trouble by engaging one of the police force in an argument was the reason for having the uniformed men under cover.

They make their own vanills extract. They make their own vanills extract.

reason for having the uniformed menunder cover.

Among the speakers were Ben Reitmann, Elizabeth Gurley Flynn, and the
Italian agitators, Tresca and Perrone.
Nathan Herrmann, who said he was an
I. W. W., and had just come in from
out of town, gave an inflammatory talk
when he introduced himself as chairman of the meeting called by the
Italian anarchist group to protest
against the arrest of those implicated
in the attempt to blow up St. Patrick's Cathedral.
Elizabeth Gurley Flynn was ex-

rick's Cathedral.
Elizabeth Gurley Flynn was ex-tremely worked up about the new pol-icy of the police department. She de-nounced Commissioner Woods's policy ated at of placing spies among the revolu-tionists of Manhattan.

"Our police in New York have always been inefficient," she said. "There has

net been a big crime committed in the last ten years they have helped to solve. They have been laughed at by the newspapers, have had fun poked at them by the comics, and, now that the
